Because of Mr. Sullivan's guiding yesterday and today, we will be better citizens tomorrow. He has been one of the advisors to the class of '73 since our Freshman days. He kindly guided and supervised us and our activities with adult knowledge. He came to every activity we had, successful or otherwise, and tried to help solve any problems. We also felt his influence as a fine Biology teacher. Mr. Sullivan, we hope that we will not disappoint you in our future endeavors.

Yesterday . . .

We came into existence, caring little for humanity and the future.

Today . . .

We are existing,
trying to do our best
for humanity and the
future world.

Tomorrow . . .

We will no longer be in existence, but remembered for what we did for humanity and the then future.

MINISTRATION·ADMINISTRATION·ADM

The School Board

Mr. Robert Fergus, Mr. Andrew Hutton, Dr. Norman Bailey, Mr. Howard Bennett, Mr. John Nyweide, Mr. Gilbert Willink, Mr. Philip Gravink.

Mrs. Shirley Loomis--Treasurer

Mrs. Lois Schutt--Tax Collector

Chief School Administrator

MR. BENNETT

Even though I have only known you a relatively short period of time, I think I know you well. We've had some good times together and also, some trying times.

Over the last several years you have labored and you have had anxious moments, and you have been afraid and at the same time courageous; but you have finally reached a goal . . . . . graduation. In the immediate and distant future, remember these experiences we've had and the lessons you have learned while progressing through school. Success depends a good deal on hard work and determination. You have already demonstrated in varying degrees that you have these attributes. For the unpredictable opportunities in the future where you may utilize your talents, I wish you every possible success and offer you my friendship. If you ever need a helping hand or just want someone to talk to, I will always be available.

Education Association

An educational environment in Clymer Central School was formulated through the Education Association. The following people are the leaders of the association: Mr. Sullivan, Pres.; Mr. Keys, Vice Pres.; Mr. Morgan, Treas.; and Mrs. Orton, Sec. They hold regular meetings at which they decide upon a good educational policy.

Student Council

Our present representation for student administration is the Student Council. This organization functions under the leadership of: Bart Neckers, Pres.; Jim Caflisch, Vice-Pres.; Darlene Buesink, Tres.; and Brenda Kinney, Sec.

Special Services

Since our first days at C.C.S., Miss Lansten and now, Mrs. Buesink, have taken care of our little "aches and pains" and administered first aid if any emergency arose.

Our future depends upon past decisions. Some of these decisions were arrived at because of the help of Mr. Bensink, who is like a father to each student. His work never ends and he is always there to give advice. With his help, each student learns how to better his life.

Our past, present, and future depends on health. Our school doctor, who does his best to help keep the students in their best health, is Dr. Williams, Sr. He determines the physical capability of all students in order that they may perform their school activities to the best of their abilities.

The secondary reading instructor, Mrs. Legters, and the elementary instructor, Mr. McMullin, give special attention to students with a need in this area. Students must possess the ability to read well to succeed in the future. Those pupils who need help are thus given the needed attention.

Communication is very important for the future. Our speech therapist, Mrs. Berg, has the responsibility of recognizing and correcting speech defects.

Our present psychologist is Mr. Ryder. He aids the pupils who may have mental or emotional concerns, by developing emotionally capable minds.

Our future may be better because of the time teachers have spent with us, helping us. More time is available to the teachers because of the teacher aides. Elementary aides are Mrs. Duink and Mrs. Neckers in Clymer; Mrs. Hinsdale is an aide at the Findley Lake school. Our secondary aide is Mrs. Westley.

Cafeteria Ladies

The cafeteria staff is continually on the go, supplying the students and faculty with their lunches. Their talents range from making hamburgers to preparing the annual Christmas and Thanksgiving dinners. Their aid is also available for the many class suppers. Their enthusiasm and cooperation is greatly appreciated.

Custodians

Also from our very first days at C.C.S. we have seen janitors performing their various tasks. Maintenance of the school as a comfortable place for learning is the service they perform.

In our early years some of the first people to be seen in the morning were our bus drivers. Through any type of weather it was their job to see us safely to school and home again. They have transported us to extracurricular activities. Though our school life soon comes to an end, their job continues and our memories of our school experiences we transport with us.

Boces

Chautauqua County provides a program of technical training for those students who don't plan to go to college. Some of the varied classes high school students are involved in include: Auto Body Mechanics, Hairdressing, and Welding. These well-planned curriculums enable the students to gain technical skills. BOCES has built a strong and growing center.

The 1972 edition of the Clymer Football Pirates was, indeed, a remarkable one. Under the expert tutelage of head coach Howard McMullin and assistant coaches Bob Winner and Kermit Cook, the Pirates posted the first undefeated, untied team in the school's history, since the induction of 11-man football in 1960. This enabled the Bucs to run their two year winning streak to 15 consecutive games, while capturing their second straight Vine Conference Championship.

The Pirates' banner year was unequaled by any other team in the county. Besides being the county's only undefeated, untied squad, the senior-dominated Bucs also led the area in offense, and in defense. The lightning quick Pirate offense piled up 254 points in 8 contests for an impressive 31.8 average per game. The stingy Buc defense allowed only 28 points on the season; an astounding 3.5 average per contest.

At the annual All-Conference banquet, the unsullied champions placed 8 members (7 seniors) on the first team offense and defense. Four other Pirates received honorable mention. Being selected to this team, which is picked by the coaches, is an outstanding honor.

The players named to the offensive unit, along with their positions were: Phil Proctor, End; Wayne TeCulver, Guard; Curt Bailey, QB; Bob Weeks, RB; Daryl White, RB.

The players named to the defensive team were: Bill Buesink, IL; Brent Deuink, LB; Ron Rothenberger, LB.

The honorable mention selections included: Gary White, Dave Neckers, John Heil, and Norvel Willink.

Baseball

When winter ends, and the snow melts off the diamond, one portion of the Clymer spring sports scene reverts to baseball. In the capable hands of coach Bill Schroeder, the 1972 squad showed some welcome signs that there are better things to come in Clymer baseball.

While winning more games than any Pirate squad since 1961, the young Bucs displayed a great deal of poise and promise. Add to that five returning lettermen, and the 1973 prospectus is good.

Included among the returnees is Bart Neckers. Besides being the ace hurler on the Pirate pitching staff and one of the best in the league, Bart was honored by being named to the second team in the all-star balloting for our league.

Winning Sectional titles is getting to be a regular occurrence for Pirate tennis coach Brad Russell. All his 1972 netters did was to win an unprecedented 4th straight Section 6 championship, and to top it all off, the Bucs also captured the singles and doubles titles constituting a clean sweep of Sectional awards for our class, something a Clymer tennis team had never done before.

For the first time in 11 years, Clymer also captured the Sectional singles title. This was won by jr. Brent Deuink.

Completing the sweep of sectional titles were jr. Bob Duink and sr. Randy Queerveld by winning the doubles.

Humes, A. Adams, T. Miller, G. Oster, B. Buesink, G. Seblink, R. Buesink, J. Heil, J. McCray, R. Rothenburger, D. Elliot.

1972 was a year of firsts for the Clymer track squad. First of all, the Pirate thinclads went over the .500 mark (4 wins-3 losses) for the first time. This is quite an accomplishment for Coach Cook and his athletes who have come a long way in three years. They deserve much credit for their achievements in such a short time.

Another first in Clymer track was vended by Bill Buesink. Bill became the first Pirate trackster to ever win an individual Sectional title. He captured the shotput.

Volleyball Champs!

In one of the most exciting volleyball tournaments in recent years, the Clymer volleyballers brought home the Chautauqua County and Section 6 trophies for Class 'B'. According to the records available, this was the first volleyball title ever captured by a Clymer club.

After handily defeating Ripley and Frewsburg, the Pirates hit the skids, falling the arch rival Sherman. Then the Bucs bounced back, typical of all Pirate teams. They defeated Chautauqua and Forestville, and, with help from Frewsburg, jumped into a tie for first place with Sherman among the six team field. This set the stages for a final showdown between the two, once-beaten rivals.

After the embarrassing 15-2 defeat at the hands of the Wildcats earlier in the tourney, the watch word of the Bucs was REVENGE. From the outset, the fired-up Pirates held the upper hand over the taller, more experienced Wildcats. When the dust had cleared, the Bucs led 21-10, and had their first volleyball championship in the school's history.

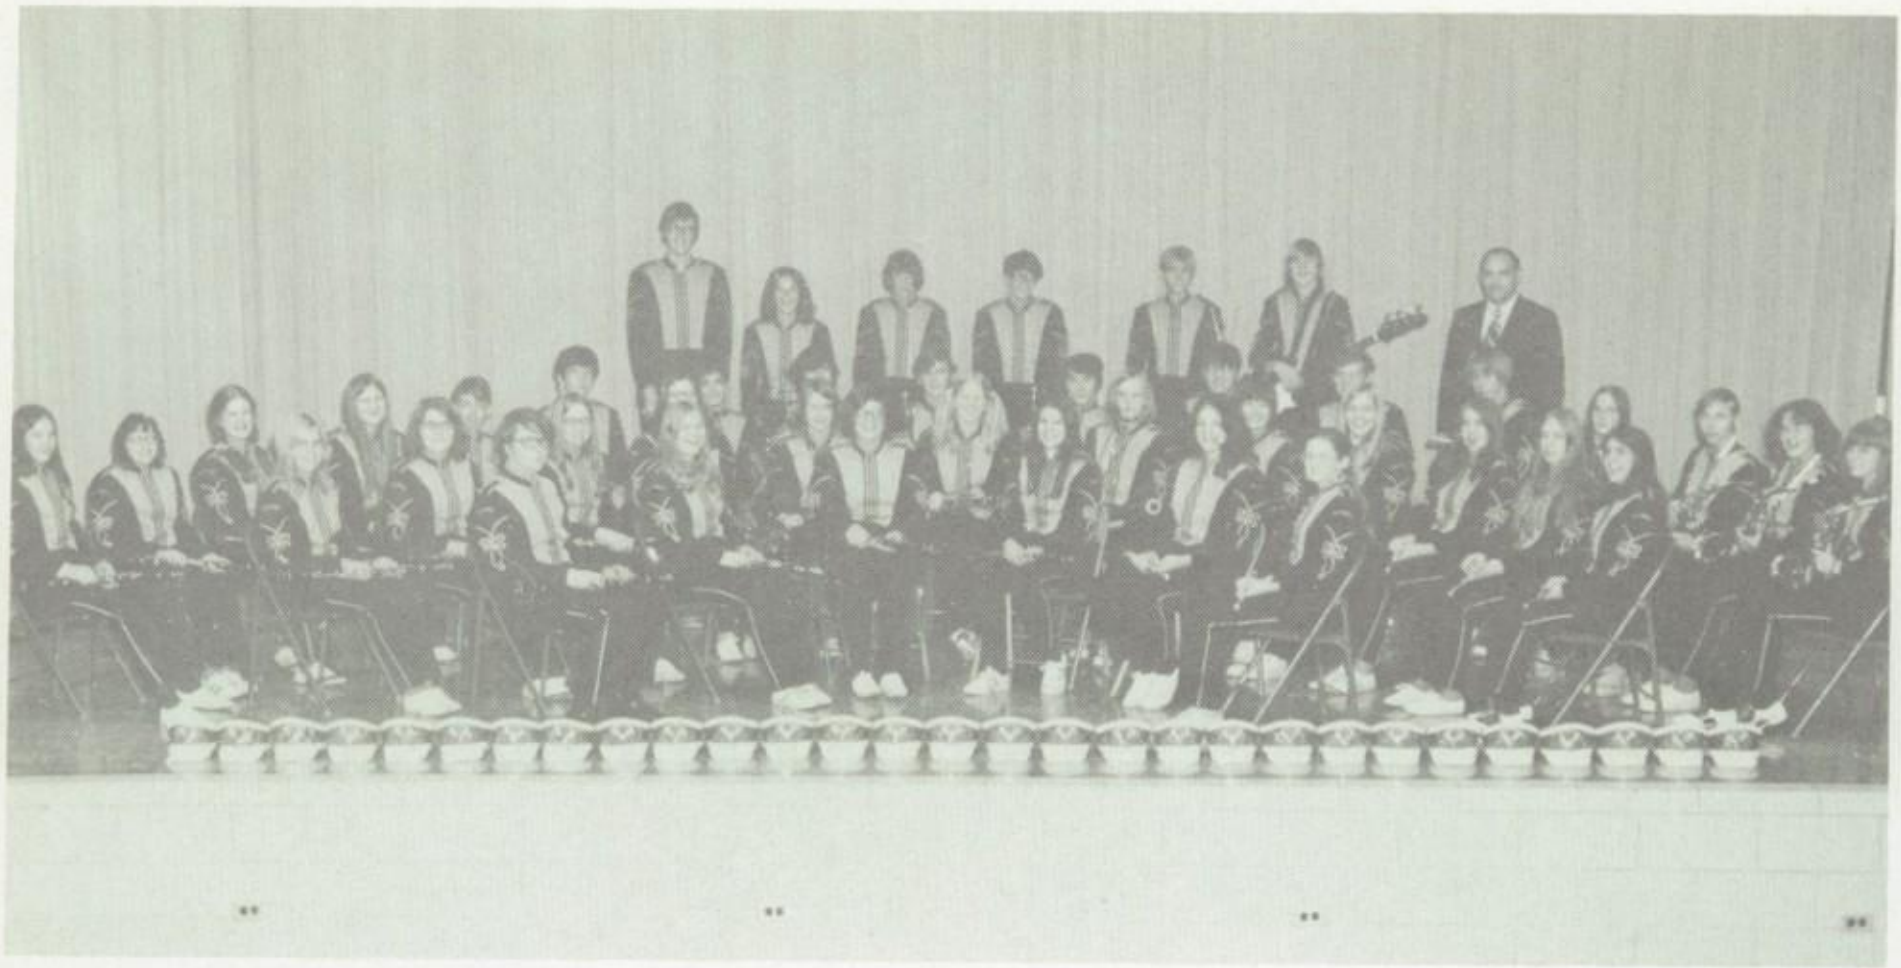
Jr. High Band

Jr. High Chorus



The Clymer Central Senior High Band, under the direction of Mr. Kaine, has varied interests--from marching to playing musicals. We are also honored with a rock band for interested members, presently called "The 8 of Us." Also, this year there is the largest number of students participating in Music Theory. Individual practice, section rehearsals, and regular band sessions give everyone a chance to express himself through instrumental music.

CCS Band

Majorettes

Color Guard

The chorus convenes under Mrs. Rhebergen's capable supervision four times a week to prepare for concerts and competitions. The chorus consists of the bass, tenor, alto, and soprano voices forming a harmonious sounding group. Soloists from the chorus also compete in statewide music festivals.
